ABREVIATIONS:
PG= PERFORMANCE GRADE

PRODUCT TYPE:
SHD = SIDE HINGED DOOR
SD = SLIDING DOOR
RP = RAISED PANEL
FP = FLAT PANEL
TR = TRANSOM
SLT = SIDELITE
FD = FIXED DOOR
SP = SPECIALTY PRODUCT

PRODUCT PERFORMANCE CLASSES:
R = RESIDENTIAL
LC = LIGHT COMMERCIAL
CW = COMMERCIAL WINDOW
AW = ARCHITECTURAL WINDOW

R-PG25-SHD = RESIDENTIAL CLASS MEETING A PERFORMANCE GRADE 25 CERTIFICATION AND IS A SIDE HINGED DOOR.
LC-PG40-SD = LIGHT COMMERCIAL CLASS MEETING A PERFORMANCE GRADE 40 CERTIFICATION AND IS A SLIDING DOOR.

DISTRIBUTOR RESPONSIBILITY

It is the function and responsibility of the Distributor/Dealer to understand and know the local building codes or specific job requirements. Due to the fragmentation of building codes and selective adoptive practices of municipalities, the local distributor/dealer must be the local market expert. Woodgrain will not be held responsible for fulfilling an order that does not meet local code requirements. These requirements may include but not limited to thermal performance values, structural performance values, PG ratings, etc.

All products must be installed per our written instructions to maintain any rating.
